Dinner was served on the grounds, and the proceeds were added to the Tyree memorial fund.

"An itching rash broke out on my face and neck, so bad that I scratched myself until my face was a mass of raw flesh which kept me awake all night. After going to my family doctor, he recommended the Cuticura Remedies. That night, after washing my face and neck with Cuticura Soap, I applied some Cuticura Ointment and had the first good night's sleep in three months. I used Cuticura Soap and Ointment for about three days and tonight when you could not see a mark on my face or neck. I will gladly recommend the Cuticura Remedies to anyone who is afflicted with itching rash on face and neck."

In another letter Mr. Silver says: "My case was of about two years' standing. After using Cuticura Soap and Ointment for about three days, I saw a decided improvement and was entirely cured in two months."

President Taft in Petersburg.
President Taft and party passed through Petersburg last night on route to Panama. It was not generally known that he would be in the city, else many people would probably have been at the lower station to greet him. As it was, some two dozen or more persons were there when his train arrived.

In response to calls, the President, with uncovered head, showed himself on the rear platform of his car, and though making no speech made pleasant reference to his visit to and reception in Petersburg in May of last year. President Taft will probably never forget the magnificent reception extended him by the people of the Cockade City the day he spent here, and the people of Petersburg will not soon forget it. The President came down to the unveiling of the Pennsylvania monument at Fort Mahone, where he made an address. The reception given in his honor at Central Hill was a memorable one.

Incinerator Needed.
Dr. A. A. Martin, the health officer, is urging the establishment of an incineration plant in Petersburg for the destruction of waste and garbage. He has several times brought the matter to the attention of the Council and pressed its importance. The Mayor, too, has approved and recommended the installation of such a plant. The old system of dumping here and there is not satisfactory and has at times met with protest. Besides, Petersburg is an up-to-date city and is entitled to up-to-date improvements.

Personal and Otherwise.
Invitations have been issued to the marriage of Miss Lucille Aston Loyd, of Lynchburg, to Irvine Vallandigham Farham, of Petersburg. The wedding will be celebrated in Lynchburg November 20 at 6 o'clock in the afternoon.

The new Blandford Methodist Episcopal Church will be ready for occupancy next month. The church auditorium will seat 250 persons, and the Sunday school room 150.

Negro Badly Hurt.

The man is badly cut and injured about the head. In what manner he was hurt is unknown, but it is supposed he was stealing a ride on one of the trains, fell on the track. He had a bottle of liquor with him.

The New Steamboat Line.
The committee soliciting subscriptions for the new steamboat line between Petersburg, Richmond and Norfolk is meeting with good success. It is understood that Richmond and Norfolk, which will both be benefited by the line, will be asked to subscribe for some of the stock.

Last night at 9:30 o'clock at the home of the officiating minister, Rev. F. W. Moore, Miss Ada May Chiles and Linwood W. Wright, were united in marriage.
